

An Exceptional Seafood Experience at Cooke's SEG 2026 Booth

At Seafood Expo Global (SEG) 2026, Cooke is proud to showcase the very best seafood. Designed to spark connections and conversation, the Cooke booth invites guests to experience exceptional seafood from Canada and beyond.

Our booth experience includes:

- A world-class culinary experience, led by renowned Chef Chris Aerni and his team, featuring tastings that showcase the remarkable variety and quality of Cooke seafood.
- A fully stocked retail aisle, offering a world of high-quality seafood at your fingertips.
- Dynamic digital screens that inform, engage, and inspire.
- An interactive global map highlighting Cooke's international presence and vertically integrated operations.
- A specialty coffee station, serving barista-crafted beverages that add warmth and comfort amid the energy of the show.

We invite you to visit our booth and experience the freshness, flavour, and people behind our global operations. From Australia to Argentina, our seafood will keep you coming back for more.
