###

Dalian Rich Enterprise Group Co., Ltd. was founded in 1994. Now it has become an international seafood enterprise with seven wholly-owned subsidiaries at home and abroad and a number of modern marine food processing facilities. Now it has formed a global industrial chain operation model of global resource allocation, marine food research, modern processing and manufacturing, and multi-dimensional marketing network. The products are sold to more than 40 countries and regions around the world and

have been widely praised by consumers.

About Seafood Expo Global and Seafood Processing Global

Seafood Expo Global and Seafood Processing Global form the world's largest seafood trade event. Thousands of buyers and suppliers from around the world attend the annual, three-day exposition to meet, network and conduct business. Attending buyers represent importers, exporters, wholesalers, restaurants, supermarkets, hotels, and other retail and foodservice companies. Exhibiting suppliers offer the newest seafood products, processing and packaging equipment, and services available in the seafood market. SeafoodSource.com is the exposition's official media. The exposition is produced by Diversified Communications, the international leader in seafood-industry expositions and media.
