Personal Safety

- **SECURITY.** The Event Organizer is committed to ensuring a safe and secure experience for all exhibitors and attendees. For any security concerns, contact the Event Organizer or any on-site security personnel.
- **STAY ALERT.** Remove your badge when leaving Fira each day and remain aware of your surroundings, especially in the evenings.
- **REPORT IMMEDIATELY.** Notify the Event Organizer or security of any safety hazards or injuries anywhere in or around the venue.
- **LOST & FOUND.** Items can be turned in or claimed at the Organizer's Office, East Access lobby, during event days. After the event, contact Fira Security at +34.93.233.2000.

Safeguarding Stand Property

- **DETER THEFT:** Greet anyone who enters your stand — acknowledging their presence discourages theft.
- **SECURE VALUABLES:** Keep valuables in a locked cabinet, not under tables. At the end of each day, cover your displays and bring valuable seafood products to Cold Storage for overnight safekeeping.
- **INSTALLATION & DISMANTLING:** These are the highest-risk periods for theft. Never leave your stand unattended and take all valuables with you.

Preventative Measures

- Harness and hard hats are **MANDATORY** when working at height.
- A special work permit is required to carry out welding. Welding equipment shall not be used without Fira's Hall Manager authorization.
- The maximum speed limit in the Fira de Barcelona venue is 10 kph.
- All footwear must be fully enclosed (no open-toe). Safety footwear is strongly recommended.
- All tools that produce sawdust must be equipped with catch bags or suction systems.
- Use of reflective or high visibility clothing is **MANDATORY** for all staff during installation and dismantle days. Vests may be purchased at the Service Desk located in South Access Level-1.

Emergency Response Plan

We are committed to ensuring all exhibitors are informed and prepared in the event of an emergency.

Public Safety

Report any suspicious activity immediately to Security at **+34.93.233.4100** or your Hall Manager. When reporting, please describe what you observed — including who or what you saw, when and where it occurred, and why it appeared suspicious.
