

Vinh Hoan Corporation Brings Sustainable Pangasius Innovation to SEA 2026

Ho Chi Minh City, Vietnam, 19 August 2026 – [Vinh Hoan Corporation](#) is proud to participate in Seafood Expo Asia 2026, taking place from 2-4 September in Marina Bay Sands, Singapore. Visitors are invited to discover Vinh Hoan's sustainable pangasius solutions at Booth C11.

Founded in 1997, Vinh Hoan Corporation has grown from a local fish processor into one of the world's leading producers of pangasius. Today, the company is recognized globally for its commitment to quality, innovation, and responsible aquaculture, supplying premium pangasius to markets across the United States, Europe, China, and beyond.

At Seafood Expo Asia 2026, Vinh Hoan will feature a curated selection of its value-added pangasius solutions, including Cured Pangasius Croquette and Pink Banh Mi. These products reflect the company's focus on convenience, taste, and customization, making them ideal for retail, foodservice, and private-label partners seeking reliable and innovative seafood offerings.

Today, Vinh Hoan exports to more than 55 countries, including major markets in the United States, Europe, and China, and continues to shape the future of sustainable aquaculture through long-term partnerships and innovation.

Visit Vinh Hoan Corporation at Booth C11 during Seafood Expo Asia 2026 and discover how sustainability, quality, and innovation come together in premium seafood.
