

***With a renewed focus on service excellence,
industry beacon Sea Port Products Corp back at SENA 2024***

Kirkland, WA, January. 2, 2024 – Sea Port Products Corp is pleased to announce its participation in SENA 2024, scheduled from March 10 to 12 at the Boston Convention and Exhibition Center in Boston, MA. Attendees are invited to visit the company at booth #1117.

For more than four decades, Sea Port has been a prominent leader in the seafood industry, distinguished for its sourcing from top-tier suppliers and commitment to sustainable seafood initiatives. President Bill Dresser outlines the company's focus for 2024, "Our commitment to unparalleled service remains steadfast. This year, we are intensifying our efforts to enhance the customer experience, improve delivery processes, and integrate cutting-edge technologies. We are confident that these initiatives will fortify our position as leaders in service excellence."

Offering a diverse selection of premium seafood, including shrimp, lobster, crab, scallops, and finfish, Sea port continues to be a one-stop shop for quality seafood at competitive prices. Their experienced buyers cultivate a network of sustainable suppliers that ensures continuous access to top-quality products at the best value.

Always striving to improve customer experience, Sea Port recently introduced a new SAME DAY pick-up and delivery service for the Los Angeles area. With distribution channels spanning coast to coast—from Los Angeles and New York to Chicago, Honolulu, Boston, and Miami—Sea Port remains a trusted seafood source, offering exceptional products and superior service.

About Seafood Expo North America/Seafood Processing North America

Seafood Expo North America/ Seafood Processing North America is North America's largest seafood exposition. Thousands of buyers and suppliers from around the world attend the annual, three-day exhibition to meet, network and do business. Attending buyers represent importers, exporters, wholesalers, restaurants, supermarkets, hotels, and other retail and foodservice companies. Exhibiting suppliers offer the newest seafood products, processing and packaging equipment, and services available in the seafood market. The exposition is sponsored by the National Fisheries Institute. SeafoodSource is the official media. The exposition is produced by Diversified Communications, the international leader in seafood-industry expositions and media. The exposition is produced by Diversified Communications, the international leader in seafood-industry expositions and media. For more information, visit: www.seafoodexpo.com/north-america.
