**Camanchaca Inc Highlights Portfolio Expansion and New Product Developments  
at North America's Largest Seafood Trade Event, Seafood Expo North America/Seafood  
Processing North America**

**Miami, FL, January, 2026** – [Camanchaca Inc](#) will exhibit at **booth #117** during **Seafood Expo North America 2026** ([Seafood Expo North America/Seafood Processing North America](#)), taking place **March 15–17, 2026**, where the company will **present its diversified seafood portfolio** for **retail and foodservice** partners in the North American market.

**Camanchaca** will showcase its **core product portfolio**, including **Atlantic and Coho salmon, mussels, shrimp, langostino, and tuna, among others**, supported by a vertically integrated operation spanning from egg incubation through harvest, processing, sales, and marketing. The company will also highlight **its Pier33 Gourmet brand**, reinforcing Camanchaca's branded presence alongside its corporate offering.

In addition, Camanchaca will feature **new product developments under Pier33 Gourmet, including skin-pack salmon formats, prepared seafood meals, and flavored salmon portions**, reflecting the **company's continued focus on innovation, convenience, and value-added seafood solutions** aligned with current market demand.

Camanchaca's booth will serve as a meeting point for customers, partners, and industry stakeholders, who will also be sharing space to explore the company's product range, discuss category opportunities, and learn more about how Camanchaca continues to support retail and foodservice growth through quality, consistency, and responsible sourcing.

**Attendees are invited to visit Camanchaca at booth #117** to learn more about the company's seafood portfolio, recent developments, and future opportunities for collaboration.
