

Blue America Showcases Premium Tuna and Japanese Wagyu Offerings at North America's Largest Seafood Trade Event, Seafood Expo North America/Seafood Processing North America

Attendees can explore Blue America's fresh, frozen, and super-frozen tuna portfolio, complemented by its premium Japanese A5, all-natural, and organic Wagyu selections.

Diamond Bar, CA, November 2025 - Blue America announces its participation at North America's largest seafood trade event, **Seafood Expo North America/Seafood Processing North America (SENA 2026)**. Organized by Diversified, the Expo will take place **March 15–17, 2026**, in Boston, MA, at the **Thomas M. Menino Convention & Exhibition Center**.

At SENA 2026, Blue America will showcase its portfolio of premium fresh, frozen, and super-frozen tuna, carefully curated and responsibly sourced from around the globe. The company will also introduce its Japanese Wagyu offerings, including A5, all-natural, and organic selections, thoughtfully selected to complement any dish or menu and exceed expectations.

*"Our goal is to be a reliable partner for chefs, distributors, and retailers seeking consistency, transparency, and premium quality," said **[Tad Takashima, President]** of Blue America. "By combining responsibly handled tuna with authentic Japanese Wagyu, we are offering products that elevate menus and meet the evolving expectations of the market."*

Blue America differentiates itself through its focus on **quality control, supply reliability, and tailored customer solutions**. The company works closely with trusted suppliers and logistics partners to ensure product integrity from origin to destination, helping customers confidently serve top-tier tuna and Wagyu to their end users.

Expo attendees are invited to visit **Blue America at Booth [3076]** to learn more about its sourcing standards, product specifications, and partnership opportunities.
