

Participate in the #IHSNY24 Product Showcase

Highlight a new product or feature an industry best-seller in the Integrative Healthcare Symposium's **Product Showcase**! Located in a high-traffic area of the exhibit hall, your products will be seen by qualified practitioners with buying power.

What's included:

- Product displayed in case or a poster
- Photo of your product, 60-word description, company name and booth number prominently displayed
- Link to your company website on a dedicated Product Showcase webpage
- Inclusion in promotional email to all 2024 attendees
- Company name or logo displayed in the digital Program of Events and event mobile app

Explore Product Showcase opportunities:

1 **Single Product - New Product or Featured Product: \$945**

- To qualify for a *new* product showcase, the submitted product must have been released within the last 18 months.
- A *featured* product showcase highlights cutting-edge products, regardless of release date.

2 **Product Demo: \$1,620**

The product demo includes either a new product or a featured product showcase, with an additional 10-minute video presentation hosted on the dedicated webpage.

3 **Showcase Branding: \$2,810** **Recommended**

This comprehensive opportunity allows your brand to showcase up to three products and includes your company name, logo and booth number at the top of the display.
